Bristol, RI 02809

**Re: Directive/BWRSD Student Beach Fees**

Director Burke,

In response to the COVID-19 public health crisis and the fact that so many of our students have had to attend school remotely during this past year, missing out on both social interaction with other students and outdoor sports and recreation, I want to encourage healthy outdoor activities during the summer for all of the students of the Bristol Warren Regional School District.

Therefore, I am directing you to make the Bristol Resident Beach fees and Bristol Resident Beach permit fees available to all Students of the Bristol Warren Regional School District. This Directive permits the parents or guardians of such students to pay the Bristol resident fees, including a seasonal pass, when entering the Town Beach with the BWRSD student.

This directive shall remain in effect until the expiration of the local emergency order.

Steven Contente  
Town Administrator
